

THE LEGISLATURE FULL OF BUSINESS

Reports of Committees Make Excitement During Session.

BUCKMAN BILL PASSES HOUSE

Many Bills Discussed and Oratory Wins—A Poor Showing for the State University at Lak City—New Bills Are Being Introduced.

Special to The Daily Sun.

Tallahassee, May 20.—The Buckman educational bill, known as the Regents' bill, which has been up in the House for several days, after a brief interval, so as to not completely block legislation, was again taken up today, and after several efforts to amend was put to a vote and passed in the House by 35 to 23. Buckman has made the fight of his life on the measure.

Governor Broward vetoed the Jacksonville charter bill yesterday and there is quite a ripple of excitement among the promoters. The Governor gave several good reasons, one being that he believed in local self-government, and the present charter gave them power to change the charter of their city by a direct vote of the people; that the new charter placed all the leading city officers in the hands of the ten councilmen. He also opposed election of councilmen for four years.

In the Senate yesterday only one new bill was introduced in its regular order, Senator Trammell's bill requiring the public schools of both the rural and city districts to be held for equal terms in length.

The report on the condition of the University of Florida was handed into the House yesterday. The committee finds the buildings filthy and the farm mismanaged.

A resolution was offered by Mr. Noble in the House yesterday, calling for a committee to examine into the conduct of those in authority at the Chattahoochee asylum and have the matters adjusted. The resolution was adopted.

The bill creating the county of St. Lucie from a portion of Brevard county, was passed by the Senate yesterday by a vote of 13 to 11.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at all drug stores; price 50c.

Picnic at Millhopper.

A number of the students of East Florida Seminary went yesterday on a picnic to the Devil's Millhopper. There were several couples, and the day was spent in a most delightful manner, the young ladies having prepared delicious lunches for the occasion.

Do Not Be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. Sold by J. W. McCollum & Co.

New Alabama Railroad.

Ashland Ala. May 20.—The first passenger train over the new Alabama Northern railroad from this place to Pylriton was run Wednesday. The line is 7 1/2 miles long and is to be operated by the Louisville and Nashville with which it connects at Pylriton. It was built principally with local capital.

Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by J. W. McCollum & Co.

MOZLEY'S LEMON ELIXIR

REGULATES THE
LIVER,
STOMACH,
BOWELS,
KIDNEYS.

The inventor of the famous "TERRELL SCRAPE," a man known wherever plows are sold and used, says:

"I have used MOZLEY'S LEMON ELIXIR for 10 or 12 years in my family for the stomach, liver and kidneys, and find it is the best medicine I have ever used. It is also a sure specific for pain in the back or under the shoulders. I have recommended it in numerous cases to my workmen, when sick and unable to work, and it has always given perfect satisfaction. H. D. TERRELL, President Atlanta Plow Co., Atlanta."

MOZLEY'S LEMON ELIXIR.

William Tell Act Proves Fatal.

Steubenville, O., May 20.—Will Strauss, a 7-year-old white boy, accidentally shot Henry Daggett, a negro, of the same age, at Mingo Junction. The bullet entered the left eye and penetrated to the back of the skull. Strauss persuaded Daggett to put a tin can on his head while he took a crack at it with a revolver. He missed the can. Daggett will die.

Had to Ward Off Old Age.

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when any disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or are troubled with indigestion, you will find these tablets to be just what you need. For sale by all druggists.

Threw Lye In Insulter's Face.

Cleveland, May 20.—Driven to desperation by taunts and insults, Mrs. Mary Downs hurled a can of liquid lye at James Cleary, aged 47, a laborer on the Cleveland and Pittsburg docks, burning his face so badly that he will lose his sight. The acid also struck Cleary's wife and Pat Masterson, aged 25, burning them seriously.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in hot water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by all druggists.

Georgian Elected Moderator. Fort Worth, Tex., May 20.—Dr. J. E. Plunkett, of Augusta, Ga., the newly elected moderator, was in the chair when the second day's session of the general assembly of the Southern Presbyterian church was called to order this morning. The first order of business was the continuation of reports by committees. Among the reports submitted was that of the executive committee of ministerial education. The remainder of the morning session was taken up with the appointment of standing committees by the moderator.

Juggling With Dynamite

Is no more dangerous than to neglect kidney disorders. Foley's Kidney Cure corrects irregularities and has cured many severe cases after other treatment has failed. It builds up the worn out tissues and restores health and vigor. "I was troubled with kidney complaint for about two years," writes A. H. Davis of Mt. Sterling, Iowa, "but two bottles of Foley's Kidney Cure effected a permanent cure." Sold by J. W. McCollum & Co.
